| Railroad | Nonvisible Boundary | Gleeter |
| | Inset | Our Area |

[illegible]

Where international, state, and/or county boundaries coincide, the map shows the boundary symbol for only the highest-ranking of these boundaries.

- ¹ A ' ' ' following a place name indicates that the place is coextensive with a MCD. A ' ' ' indicates that the place is also a false MCD; the false MCD name is not shown.
- ² A ' ' ' following a block number indicates that the block number is repeated elsewhere in the block.

The figure consists of two parts. On the left is a 2x2 grid of squares. The top-left square is white and contains the number '2'. The top-right square is white and contains the number '3'. The bottom-left square is white and contains the number '5'. The bottom-right square is white and contains the number '6'. All four squares are surrounded by a gray border. On the right is a diagram showing a gray rectangle labeled 'Entity' with a white rectangle inside it labeled 'Sheet'. A line connects the 'Entity' label to its rectangle, and another line connects the 'Sheet' label to its rectangle.

All legal boundaries and names are as of January 1, 2000. The boundaries shown on this map are for Census Bureau statistical data collection and tabulation purposes only; their depiction and designation for statistical purposes does not constitute a determination of jurisdictional authority or rights of ownership or entitlement.
